TECHSUR
PASSION MEETS TECHNOLOGY

8(a) STARS III

If your agency is looking to carefully and intelligently shift sets services to the cloud, we provide a cloud comparison evaluation and report. **TechSur Solutions delivers this service as a package that your agency can purchase today under an 8(a) STARS III direct award**. Using this BEST IN CLASS vehicle, your agency can award contracts of up to $4.5 million on a non-competitive basis. This means a cloud evaluation & report is within reach – this fiscal year, with end-of-year money, all while meeting small business contracting goals.

What Does a Cloud Comparison Evaluation & Report Involve?

Governments at various levels have been increasingly trying to move to the cloud for years. But, there are challenges of cloud migration that must consistently be navigated to realize the technological, operational, and financial benefits it offers. TechSur specifically ensures your agency is able to navigate potential pitfalls of cloud migration, including: proper strategy configuration, avoiding scope creep, addressing security weak points, and placement of skills to operate the refined infrastructure.

BEST in Class

TechSur Solutions works with your existing technologies and contractors to evaluate a set of systems and provide you with a report providing recommendations and next steps for various cloud options. Being cloud-ready in today's landscape is a necessity for governments to keep up with the consistently changing demands of the public sector as well as modernize infrastructures and preserve important information. To ensure the migration process is seamless, governments are advised to conduct a cloud assessment to set up a cloud environment that meets government needs.

Evaluation & Report Benefits

Assessing Infrastructure Demands	Identifying the Right Scope, Business Cases	Ensuring Security Requirements are Met	Better Adherence to Migration Timeline & Budget

TechSur Solutions can work with hundreds of Small Business Administration (SBA) offices across the country and the Office of Small & Disadvantaged Business Utilization (OSDBU) small business liaisons to make this direct award purchase simple for you. TechSur provides multiple leapfrog service packs of highly-specialized tactical IT services available in a non-competitive avenue for rapid delivery and execution.
